Primary Work Site:	Wahpeton
Reports to:	Fargo-Moorhead & Wahpeton Regional President
FLSA:	Exempt
American Federal Status:	Full-time
Benefit Status:	Full-time Benefited
Application Deadline:	February 6, 2015 or until filled

POSITION SUMMARY

Establishes and builds relationships with Ag and Business customers, providing advice and financial expertise in support of the American Federal Sales Process. Seek out ways to help customers find solutions to achieve their goals while ensuring loan quality, deposit growth, investment sales growth, and sales of a full array of insurance products. Plans and implements an aggressive business calling program to develop new customers while continuing to penetrate existing customers with additional products and services that will assist them in achieving their financial goals. Responsible for underwriting Agricultural and Business Loans, and administering them according to established bank policies and procedures. Extends credit within established lending authorities and makes recommendations for approval on other loans as if the banker did have the authority to approve them. Sells all credit, deposit and convenience products and services and refers customers and prospects to licensed representatives to fulfill investment or life insurance needs. Continually uses the American Federal Sales

Process. Follows established bank policies and procedures and complies with applicable federal and state governmental regulatory laws and regulations. Affirmatively seeks to the continuously increase own knowledge of financial services, operational systems/processes, industry trends.

ESSENTIAL ROLES AND RESPONSIBILITIES

Sales and Service

Develops comprehensive knowledge of both customers and potential customers to help identify problems and opportunities to develop solutions and provide American Federal products.

Manages personal relationships with key Ag and Business customers.

Establishes and implements an effective calling program, using the American Federal Sales Process to continually solicit new business or more deeply penetrate existing customers with products and services that will assist them in achieving their financial goals.

Develop a sales plan with each existing American Federal customer to assure that we continuously seek ways to deepen our relationship with each customer.

Utilizes the American Federal Contact Management System to develop, track, and report results of ongoing sales efforts including information on all existing customers and new sales prospects.

Conducts professional presentations to new and/or existing customers which demonstrate the American Federal Brand Promise, focusing on the banker's comprehensive understanding of the customers business and industry, and the development of comprehensive business solutions including all American Federal banking, investment and insurance services.

Schedule proactive contacts with key customers to recognize the value of personal relationships, assess needs through profiling, schedule appointments, conduct follow-up activities, track contacts, and provide referrals.

Cross-sells American Federal products and services including all loan products, checking and deposit accounts, and makes investment product referrals to build Business, Agricultural and Retail customer banking relationships.

Listen to customer inquiries, requests, and problems, taking ownership to resolve issues in a timely manner in accordance with customer expectations and in compliance with operational and compliance procedures.

Technical Skills and Knowledge

Underwrites Business, Agricultural, and Consumer Loans within own lending limits and makes recommendation for approval of loans outside of authority as if the banker had the authority to approve them. Works with a wide range of customers, from small and unsophisticated to very large and complex credit accounts and real estate customers.

Analyzes credit and financial information to make loans to customers. Accountable for proper documentation and servicing of all assigned loans according to the terms under which the loan has been approved, including regular credit analysis, collateral reviews and inspections, and assuring adherence to loan agreements.

Continually seeks to provide advice, counsel, solutions, and financial expertise to existing customers and new business prospects using the full range of banking, insurance, and investment tools available at American Federal or with other approved product partners (i.e. - Small Business Administration, FSA, Bank of North Dakota, etc.).

Responsible for collections including servicing of payments past due, developing and administering effective workout plans, re-possession of collateral when necessary, and management and disposal of real estate owned or other re-possessed collateral.

Leadership

Participates in establishing lending policies and operational procedures that are consistent with overall bank policies and operate objectives.

Proactively seeks sales coaching advice from supervisor and colleagues. May provide supervision that motivates employees to deliver the value added customers expect.

Other

Identifies and seeks training and development opportunities necessary to improve performance and abilities.

Develops an annual performance and development and training plan and develop an individual sales plan with quarterly, monthly, weekly goals to support the business unit's targets and personal development.

Supports the standards of the American Federal Brand and Customer Touchpoints.

Follows established bank policies and procedures and applicable governmental regulatory laws and regulations.

Responsible for maintaining the confidentiality and security of bank and customer information and organization trade secrets.
