

Coming Soon - Online and Mobile Banking system enhancements!

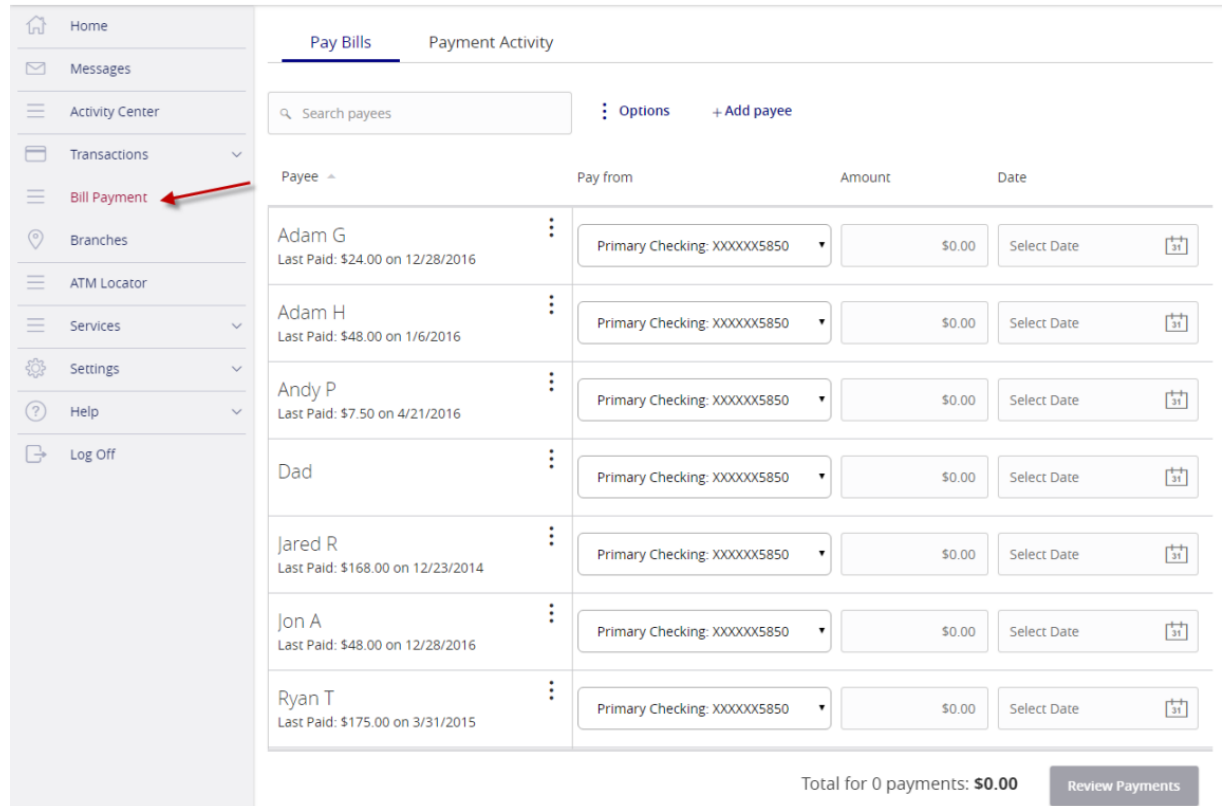

New enhancements to Online Banking and the Mobile Banking App are coming soon! Several of these enhancements are highlighted below.

Key features:

- **Quick Action option on the Home Page!**
 - The Home page has been enhanced with a Quick Action button for each account. This Quick Action button enables easy access to the 'View Activity' and 'Quick Transfer' options.

- **Bill Payment update!**
 - The Bill Payment screen has been updated to allow for multiple payments to be scheduled on one easy to use tab.

The screenshot displays the 'Pay Bills' section of the online banking interface. On the left, a navigation menu includes 'Home', 'Messages', 'Activity Center', 'Transactions', 'Bill Payment' (highlighted with a red arrow), 'Branches', 'ATM Locator', 'Services', 'Settings', 'Help', and 'Log Off'. The main area shows a search bar for payees, an 'Options' menu, and a '+ Add payee' button. Below is a table of payees:

Payee	Pay from	Amount	Date
